

PROGRAM SYLLABUS

Digital HR 2.0

Online Certification Program

Last update: October 16, 2024

AIHR | ACADEMY TO
INNOVATE HR

An overview

of what you can expect from this program

Drive innovation in HR

Unlock HR's strategic potential with the smart use of the latest technology. There are more options than ever before to improve processes, measure performance, and take the employee experience to the next level. But if it was that easy, everyone would be doing it.

The Digital HR Certificate Program equips you with the skills and knowledge you need to drive and implement the digital transformation of HR processes. You will understand the value of a high-impact digital HR strategy, how to innovate and automate HR processes to help your organization and employees thrive, and how to successfully implement digital changes. In short, you will have everything you need to usher your organization into the future of work.

Digital Change Management

• 2 MODULES

Hacking HR: Developing Digital Expertise

• 1 MODULE

Capstone Project

A detailed look

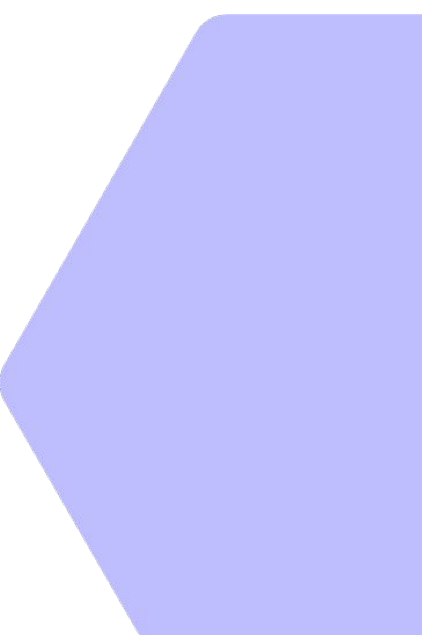

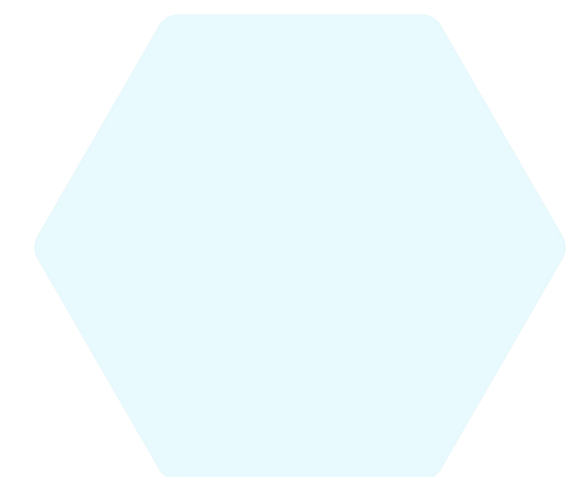

at the curriculum and modules

1 MODULE

Digital HR & the Future of Work

In this course, you'll study six real-world examples of digital HR interventions that have increased the quality and efficiency of HR processes and services, improved employee experience (EX), and delivered business impact through increased productivity, profitability, and customer & employee satisfaction. You'll also learn what great EX consists of, the skills you need to create it, and how to help your organization improve its digital maturity.

- **Digital HR & The Future of Work**
 - Impact with Digital HR: Six Case Studies
 - Building Digital Experiences
 - Benchmarking Digital Maturity

3 MODULES

Design Thinking & Employee Experience

This course teaches you how to use the design thinking process to deliver a superb employee experience that advances HR and the business. It provides you with all the tools and techniques you need to understand your internal customers and design solutions that create memorable experiences throughout the employee journey. You will also learn how to create a robust EX strategy and build an EX function from scratch, tailored to your organization's maturity level.

- **Redefining EX with Design Thinking**
- **Creating Impactful Employee Experiences**
- **Building an EX Strategy and Function**

3 MODULES

Automation in HR

In this course you will learn how to map workflows and design automations in order to improve and optimize your HR processes. This will help you create operational efficiency while designing customer-centric solutions, and will leave you with more time to make an impact.

- **HR Automation: Principles & Benefits**
- **The 4D Framework for Optimizing HR Processes**
- **Measuring Automation Success**

2 MODULES

Digital Change Management

In this course, you will gain the knowledge and skills you need to support the business through digital change initiatives. You'll learn how to minimize resistance to change, build commitment and enthusiasm, and align the change with your organizational culture. As a result, you'll be able to effect change faster and have a higher success rate.

- **Digital Change Management Fundamentals**
- **Driving Digital Adoption**

2 MODULES

Hacking HR: Developing Digital Expertise

This course will help you develop the digital mindset, skill set, and behaviors you need to become a digital innovator and drive the organization forward on digital initiatives. You will learn methods to increase your digital savviness, map your own skills on a digital mindset model, and you will even learn various ways to ‘hack’ HR to increase its impact and effectiveness.

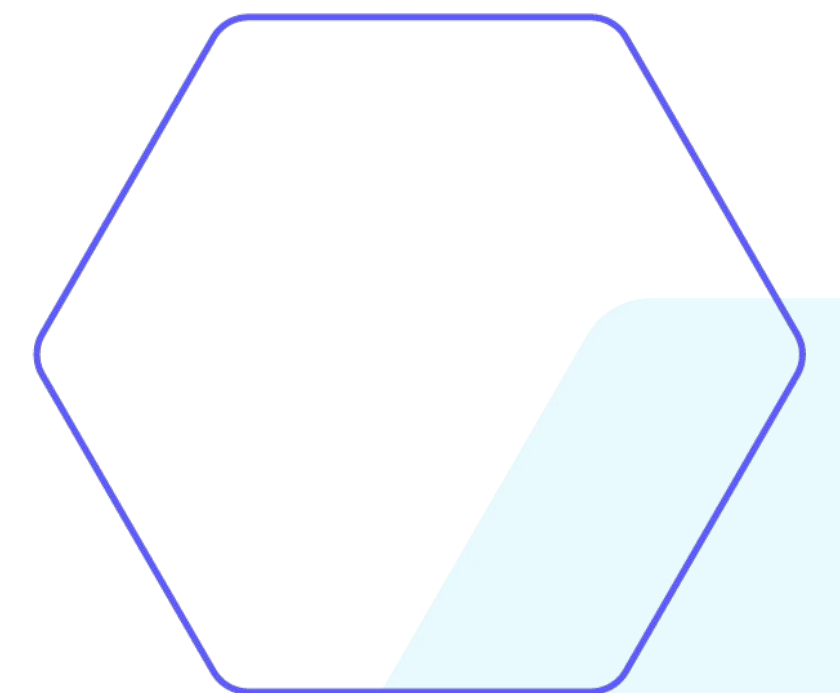

- **Developing Digital Agility**
- **Hacking Digital HR**

1 MODULE

Capstone Project

With the capstone project, you will be applying your learnings to create a series of practical deliverables such as a digital HR maturity assessment, improving an existing digital process to increase employee engagement, performing a change readiness assessment, and more.

- **Interactive case study**
- **Capstone exam**
